

# Summary of 2009 Updates to the Statewide Communications Interoperability Plan (SCIP)

Justin Turner  
PSIC Operations Manager

October 14, 2009

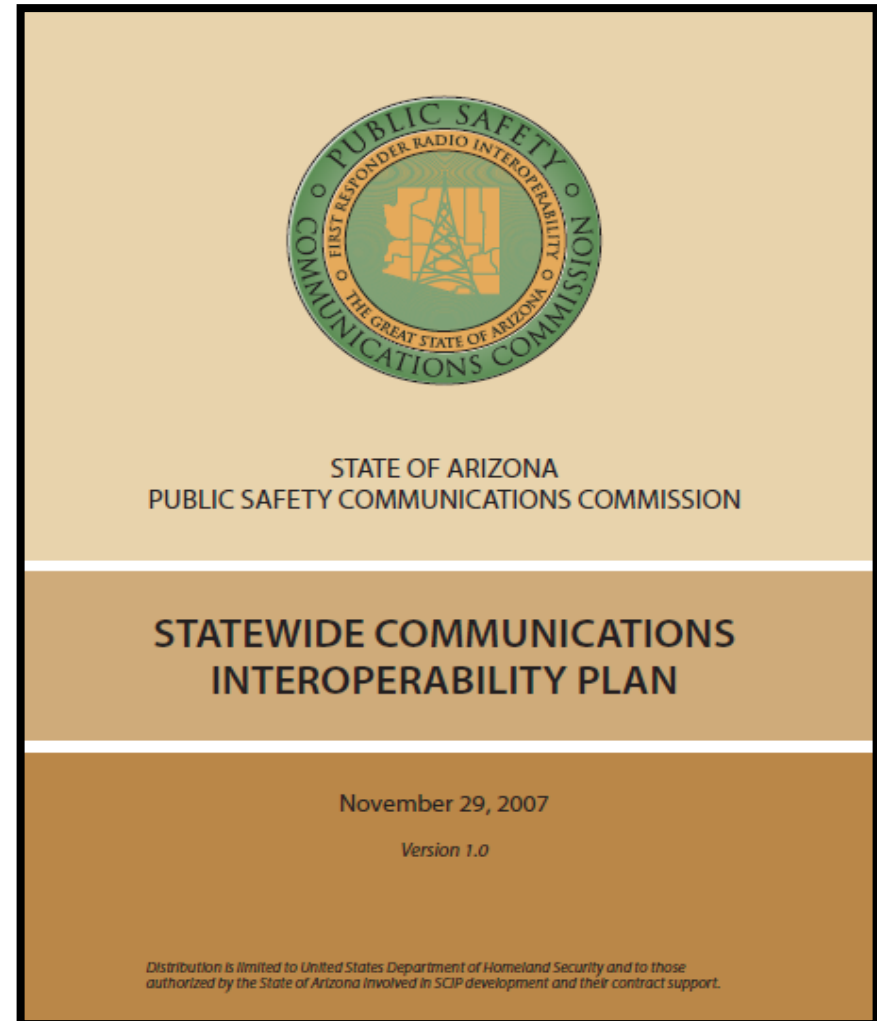

## Overview

- Primary update goals
- Current update status
- Next steps

# Arizona SCIP Overview

- Drafted to meet a grant requirement in 2007
- Submitted to the Dept. of Homeland Security (DHS) Office of Emergency Communications (OEC) in November 2007 and approved
- Submitted two SCIP Implementation Reports to DHS in 2009

## Revision Rationale

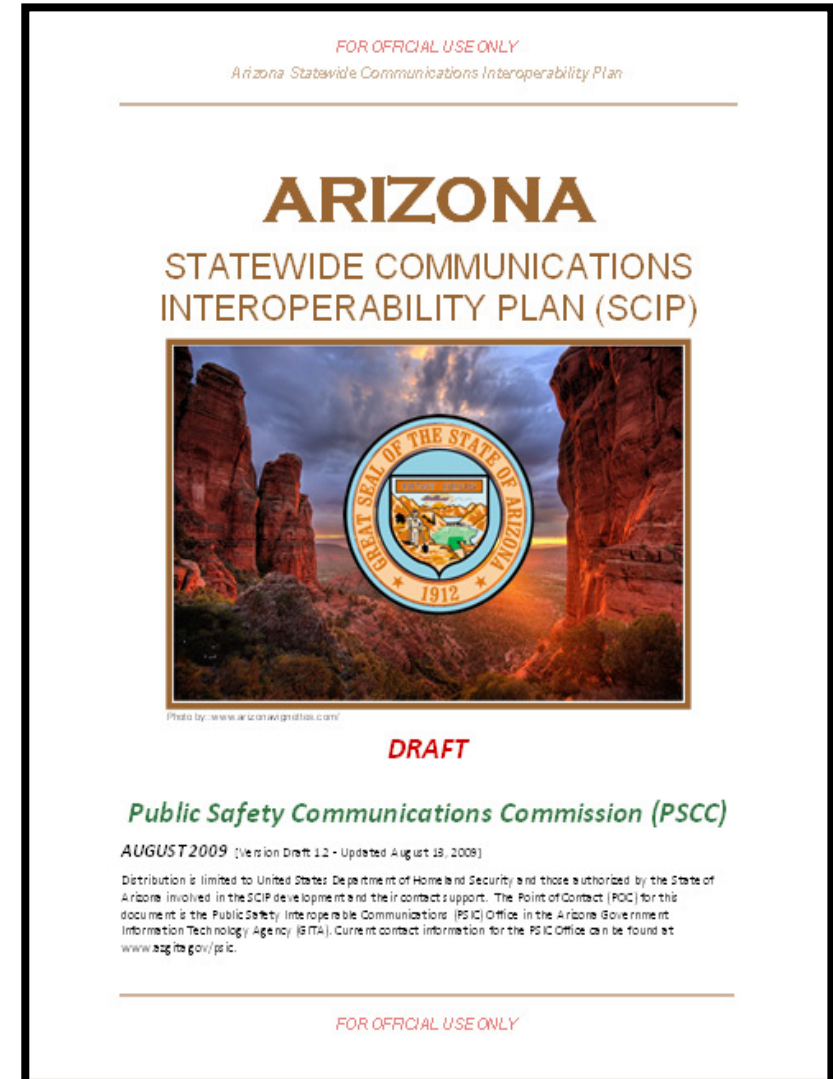

2008 / 2009 reviews identified the need to update the SCIP to reflect changes in the Arizona communications landscape to address:

- Updated strategic initiatives & need for additional detail
- Project accomplishments
- PSCC move from DPS to GITA
- Formation of the PSIC Office
- Updates to PSCC and SIEC
- Need to incorporate updated information from stakeholder groups
- Alignment with National Emergency Communications Plan (NECP) issued in 2008.

# Revision Goals

- Enhance readability, accuracy, and applicability of document by
  - Updating/streamlining language
  - Removing or relocating (to appendices) outdated, inaccurate, or extraneous content
  - Condensing related document sections together to minimize unnecessary redundancy
- Maintain conformance to OEC SCIP Criteria (2007)
- Update strategic plan initiatives as approved May 19, 2009
- Facilitate future grant applications through alignment with the National Emergency Communications Plan (NECP)
